

## **RR Mergers announces the sale of S & K Steel Products to Irwin Transportation Products**

*St. Louis, January 16, 2024* - S & K Steel Products Inc. (S&K), has been acquired by Irwin Transportation Products, headquartered in Irwin, Pennsylvania.

S&K, renowned for product innovation, manufactures rail bars, plates, and wheel stops, all crucial railroad components.

With its nearly 30-year presence in the railroad industry, S & K operations will remain in Madison Heights, Michigan and key leadership personnel will continue in their current positions.

S & K Steel Products joins a growing portfolio of business units owned by Irwin Transportation Products. The company operates Gray Manufacturing Industries in Hornell, New York, UKM Transportation in Harleysville, Pennsylvania, VECOM USA in Tampa, Florida, Traction Motor Services/Atlas Car Products in Irwin, Pennsylvania, and the ITP Group in Blairsville, Pennsylvania.

RR Mergers, specializing in the sale of rail-focused companies, advised S & K Steel Products on its sale to Irwin.
